Where kisses banish sadness, So come dear, and let us
Where through the golden hours, There's never a moment's
go A won'rous land, where hand in hand_
care Where sweethearts kiss, to share the bliss_

Lovers stray and love for aye So, show me the way to
Love's sweet song the whole day long In love land sweet rosy_

love land And there we will always stay.
love land That's where you and I belong.

We will roam to-geth-er While the love star shines a-bove
