Is that old string bean, Mis-ter Hi-ram Green,  
Went to him of course, To get her div-orce,

Piano accompaniment for the third vocal line.

Hi - ram likes the wom - en and be - sides he's such a flirt,  
She said he keeps chas - ing la - dies like a fresh young sport,

He goes cra - zy when he hears the rus - tle of a skirt.  
Judge, he's chas - ing one right now, that's why he's not in court.

Though he's get - ting might - y old and suf - fring from the gout,  
Just - ice Force re - plied, "he has - n't brok - en an - y laws,

Hi - ram loves the la - dies and when wif - ey lets him out.  
You can't get div - orced from him the reas - on is be - cause."

## CHORUS

a little slower

All he does is fol-low them a - round, all a-round, all a-round, all a-round,

*p - f*

How he loves to fol-low them a - round, all a-round, all a-round, all a-round! He

has - n't an - y hair, Not a tooth is there,

Still he thinks he's just as nif - ty, As he was in eigh-teen fif - ty.

How he loves to fol-low them a - round, all a-round, all a-round, all a-round,

Where the pret - ty girls are found, he's bound, He

fol-lowed one girl for a week, But did-nt have the nerve to speak, So all he does is

fol-low them a - round. round.
