Broken Hearted Blues By PERRY BRADFORD.

Writer of "Stew'de Rice" "Lonesome Blues" "What Did Deacon Jones do"

Moderato. *Until voce*

Musical notation for the piano introduction, featuring a treble and bass clef with various notes and rests.

Voice. *Slom*

I'm feeling ve-ry lone-ly oh gee but I am sad 'Cause I've lost the best friend that I've
I'm thinking of him on-ly oh yes night and day 'Cause my lov-in' babe has gone a-

had _____ He's gone a-way it makes me feel so bad _____
way _____ He was so good and had a lov-in' way _____

My lov-in' babe has done gone (To Atlantic City where the girls are gay and pretty) I am so worried and for -
But now he has thrown me down (Oh how I miss him gee I wish that I could kiss him) But now he can not be found

lorn (Though it grieves me, cause my baby had to leave me) If he didn't love me, He didn't have to tell no lie -
(I am crazy about can't do with out him) I want him yes and I surely want him for my - self

Cause the day I see him that's the day he'll die.
 If he don't be mine he aint going to have no one else.

Chorus *Slow*

I could read his let-ters but I sure can't read his mind
 Went down to the railroad and laid my head on the track
 If you don't be-lieve I'm sink-ing look what a hole I'm in

I thought he's lov-ing me and he was leaving all the time
 I thought a-bout ba-by and then I quick-ly snatched it back
 If you don't believe I love you look what a fool I've been
