My {Gal has} left me all a-lone_ that's why I'm feel-ing blue_
She had the sweet-est lit-tle ways_ I loved my ba-by so_
if {she} dont come back might-y soon_ I dont know what I'll do_
and when it came to mak-ing love_ She taught me all I know_

I get a let-ter ev-'ry day_ {She} tells me not to fret
Now I just sit all night and dream_ {He} Of days that used to be,

but I'm un-hap-py Im so un-hap-py seems I nev-er can for-get._
but Im so lone-ly so sad and lone-ly May be shell come back to me._

Chorus.

Since my {Gal is} gone I've got the blues Ev-'ry day Im

wait-ing for some news, Im wor-ried all day long,

I sing a cry-ing song, - Lor-dy how I miss {her} how I long to kiss {her}
{him} {him}

gee! my love is strong! - Since my dear sweet {Ma-ma's} gone a-way
{Pa-pa's}

I cant eat my three square meals - a day

Its tough when you must lose, the ba-by doll you choose, Since my {Gal is}
{Dad-dys}

gone I've got the blues.
