Valse moderato

Voice

Some-how, I just can't help sigh - - ing,
Sweet-heart now don't you be griev - - ing,

There's some-thing makes me so blue,
Dry those sweet tear-drops a - way,

Al-though I know that you love me,
I have no thought dear of leav - - ing,

Still I am Jea-lous of you.
There is no rea-son to say.

Chorus

p-f Jea-lous of you, Jea-lous and blue, Jea-lous of

each thing you do, Fear-ing some-day,

You'll turn a-way, to some-bo-dy else that is new;

I don't feel right, Can't sleep at night, think-ing you may not be

true, Some pret-ty face, May take my place,

That's why I'm Jea-lous of you you.
