Moderato

When I'm feel - ing lone - ly, blue and home-sick too, When the world has
I have seen the bright lights up and down Broadway, Fac - es filled with

all gone wrong, ——— It's strange, but there's just one place on - ly where things all ring
sor - row there, ——— But give me my old hometown white lights at the close of

true, Then way down in my home town I long for
day, All my pals, the boys and gals I care for.

CHORUS *p-f*

Main Street, ——— it's just a plain street,

Main Street ——— with all its charms; ——— You'll find a

smile on ev - 'ry face, ——— For it's the style in

that old place. — 'Twill al-ways be the Same street — in an-y

weath - er, Friends meet — from all a - round; — When you're
And when

dead broke they un - der - stand, And each one will grasp your hand On
you've fought a los - ing game, They'll wel - come you just the same On
