Bill Rai-ley is some strut-tin' fool - You hear ev-'ry-bod-y say - His ears go up just like a mule - When he hears the music play - At ev-'ry ball, in ev-'ry hall Where jazz pre-dom-i - nates - Those high brown gals all sigh - When they hear Will-iam cry!

Chorus

*mp-mf*

Oh! Sis-ter ain't that hot! - Oh! Sis-ter ain't that hot? - That band is full of pep - And when you step - it makes you siz-zle Oh! Sis-ter ain't that hot, - It's hot as hot can be - Those lov-in' blues that lead-er man plays - Set your two shoes right in a blaze - When he lets go - he's got the dev-il be-low - look-in' like an Es-ki-mo, Oh! Sis-ter, Ain't that hot.
