Don't ask a - ny ques - tions when a fel - low says he wor - ships you,
Some girls love a boy be - cause his eyes are ve - ry, ve - ry blue,

Be con - tent to know he's yours for - ev - er, fond and true;
Some to curl - y heads of hair, will say their love is due;

And if he should ask you why you love him as you say you do,
Some will love a boy be - cause of dol - lars he has quite a few,

Look in - to his face and smile, then soft - ly, soft - ly coo:
But I love my boy be - cause he loves me, loves me too!

REFRAIN

"I've a mil - lion rea - sons, dear, why I..... love you!.....

If I start - ed tell - ing them, I'd nev - er get through;

I love your style, I love your smile,... I love the clothes you wear,

I've a million reasons

too - oo - oo - oo,..... I love you be - cause I know that

you will be true,..... I love you, and lov - ing is the

best thing I do;... Night time and day, All I can say..... Is,

I've a mil - lion rea - sons, dear, why I..... love you!"
