Dream - y June, All the world in tune,

*p*

Night shad - ows are fall - ing, Love - land breez - es call - ing;

Ros - es sway, And the moon - beams play, As we

scheme, dream, Soft - ly they gleam on the land of love.

*rall. e dim.* *a tempo*

*Brillante* *rall.* *ten.* *a tempo*

Let us stray, Dearie, far a-way, Stars are think-ing, blink-ing, Love lamps their eyes winking, Just we two —

*Tempo I*

— In my birch canoe Let us stray a - way. Hon - ey moon, —

— All the world in tune, — Sweet-heart, you be - side me, Love-land

— shores to guide me; Ros - es sway — As a - long we

stray, — And we scheme, dream, un-der the gleam Of a hon - ey - moon. —
